\*If you are bringing cash, please place it in an envelope with your daughter's name on it.

\*If you are writing a check, please have your daughter's name somewhere on it.

## Check In & Drop Off

Please enter the facility using the gravel road marked by 2 blue flags and a sign. **DO NOT ENTER ON THE CONCRETE DRIVE WAY, this is EXIT ONLY.** Refer to the diagram below. Please remain in your car during drop off. We will check players in as you pull up. **Check in will begin 10-15 minutes before your daughters assigned start time.** A coach will be outside doing drive by check in & drop off. **Please do not park during drop off unless you need to write a check.** The process is expedited if you have your daughter ready to exit the vehicle and have any necessary payment ready when you reach the front of the line. Players have the option to wear a mask while on the volleyball court. We will have hand sanitizer or masks for players to use if they choose. Spectators will **NOT** be allowed into any of our programming as of yet due to our attempt to limit the number of people in the gym during this pandemic and to limit any exposures within the facility. Parents will be able to come in and watch during the highlighted dates above while wearing a mask and sitting in their personal folding chair. An email will be sent out at a later date as a reminder for parents.

## Pick Up

For pick up, please enter using the gravel road, marked by the two blue flags and sign. You will then use the 2nd entrance to turn into the parking lot, then proceed to the pick up/drop off location. Please refer to the diagram below.
