

## Kingwood Revolution Volleyball Scholarship Application

Kingwood Revolution, Inc. wishes to provide a competitive environment for all qualified athletes to participate in regardless of financial constraints. We provide percentage scholarships on a case by case basis at the discretion of the Kingwood Revolution Scholarship Committee. The club may refuse assistance to any applicant at any time and the club grants scholarships based primarily on financial need. The club also considers factors such as the player's commitment to the club by attending all events and functions. The scholarship committee may rescind the player's scholarship at any time if we feel the commitment level is not meeting our expectations. Kingwood Revolution, Inc. only allocates a specific amount of funds for scholarships and players must apply by the application deadline of August 31, 2022. Any application received after the deadline may be rejected. Athletes and Parents of Kingwood Revolution VBC are required to make all dues payments to Kingwood Revolution VBC until notified of scholarship monies granted. Applicants must submit a completed application for scholarship, provide proof of family income from all sources, and pay a \$500 player deposit, if instructed. Scholarships cover a percentage of club fees and do not cover the uniform package or travel expenses for tournaments or practices. Scholarship amounts awarded are determined by the Kingwood Revolution Scholarship Committee. Factors that determine the amount awarded are: financial need, amount of funds raised through fundraising, scholarship application, and number of players applying for scholarships.
